The amendment received 9/28/06 has been made of record. Claims 1-11 are pending.

The rejection under 35 USC 112 contained in the previous office action is withdrawn in view of applicants' amendment.

The objection under 37 CFR 1.75(c) is withdrawn.

Claims 5 and 10 are rejected under 35 U.S.C. 102(b) as being anticipated by EP '288.

This rejection is maintained for reasons of record with the following additional comments.

Applicants' newly added limitation to electrical conductivity of the coloring matter is seen as inherent to the coloring matter of the reference since the reference teaches the removal of electrolytes by ion exchange.

Claims 1-4, 6-9 and 11 are allowed.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of
